MRB - The Macro Research Board is a privately-owned independent top-down research firm that provides integrated, global, multi-asset investment strategy as well as actionable absolute and relative return ideas. Our views incorporate a long-term outlook based on in-depth thematic research, together with a rigorous set of frameworks and forecasting models/indicators that drive 6-12 month asset market performance. MRB's team of analysts and strategists leverage the firm's robust research engine and their extensive experience to form one cohesive house view and ensure that investment strategy is articulated in a client-friendly manner.
